Daily Preschool Schedule

Welcome, at our school we offer to preschool classrooms. The first Mrs. Susan's classroom will be called **group one**. The second Mrs. Kathy's classroom will be called **group two**. These two classrooms vary slightly during the morning.

Programs

We offer three different school programs ending at 12:00 p.m., 3:00 p.m. and 6:00 p.m.

Lunch Time

There are two groups for lunch. Group One preschool students who are toilet trained and can feed themselves. This group eats outside (weather permitting) at 12:00 p.m. Group Two preschool students who are not fully toilet trained and who need help in feeding themselves. This group always eats indoors at 11:00 a.m.

Lunch clean-up

For Group One as the students finish their lunches they walk with the teacher in groups of twelve to put away their lunch pails in their cubbies. Next they follow their teacher outside for lunch recess.

Rainy day lunch schedule

On such days as the weather does not permit outdoor lunch the students will eat indoors and see a movie for lunch recess.

Montessori class time

All students participate in the morning Montessori class time. Group Two students work with the Montessori curriculum only during the morning session, after their nap they have daycare for the remainder of their day. Group One students continue to work with the Montessori curriculum until 3:00 p.m.
